QUICK START

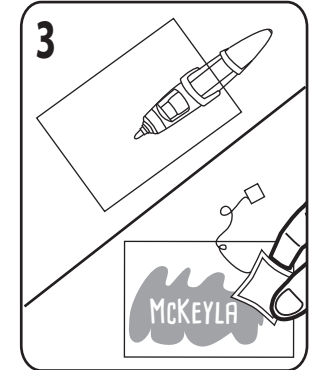

NOTE: Before beginning, cover the play area to avoid possible water and/or food damage.

1 In a cup, combine two teaspoons of baking soda and one tablespoon of water. Stir the mixture thoroughly.

2 Remove the cap from the pen and twist off the pen tip. Pour the baking soda mixture into the pen. Tightly replace the pen cap.

3 Write a message on a piece of paper and let it dry completely. Once it is dry, dip a tea bag into warm water and wring it out. Rub the tea bag over your message to reveal what you wrote! Try using berries instead of tea!

IMPORTANT INFORMATION

- Thoroughly rinse out the pen and the pen tip with water after use.
- Place the pen and pen tip on a towel to air dry after rinsing.
- DO NOT wash doll's hair with water and/or soap.
- DO NOT dry doll's hair with a hair dryer or subject hair to very high heat in any manner as it will irreparably damage the hair.
