

## IMPORTANT INFORMATION

- Not for children under 3 years.
- Use under adult supervision. Adult supervision is required when children are playing with water.
- Contents are not real food. Do not eat.
- Not all slime will fit inside of the keychain container. Store extra slime in the storage containers or in a sealed plastic bag.
- Keep slime away from paper surfaces, as it will stick permanently.
- Color transfer from pigments may occur. Wash hands thoroughly after use and keep slime away from clothing and surfaces other than the bottle and slime containers.
- Keep contents away from eyes, mouth and face. Keep away from broken skin.
- If contents accidentally get into the eyes, rinse with plenty of water and seek medical advice if necessary.
- Tightly close the lid on the keychain container and the doors in the storage containers after each use.
- Do not dispose of slime in the drain. Dispose in a trash receptacle once you are finished playing with it.
- Slime will dry out over time. Store in a sealed container to prevent drying out when not in use.
- Clean the bottle before starting a new slime.
- Rinse the bottle and slime container with water. Use a damp cloth to clean the storage containers. Then, air dry in a well-ventilated area.
- Water temperature may affect the slime's consistency.

# STORING UNICORN POOP!

Before beginning, cover the play area to prevent possible damage.

Remove the lid from the bottle and follow the instructions in the booklet to make unicorn poop.

1

Open the keychain container by removing the cover on the bottom of the keychain.

2

Store the slime inside of the keychain container. Then, replace the cover under the keychain.

3

Add your keychain to your own accessories! Press the opening of the clip firmly against a key ring to attach it, or carefully pull apart the clip to open it and slide it onto your accessories.

1

Open the door of the storage container.

2

Store the slime inside of the storage container and tightly close the door.
