OBJECTIVE

Be the first to find the matching item(s) on two playing cards and get that item!
Collect all 5 fashion accessories to win the game!

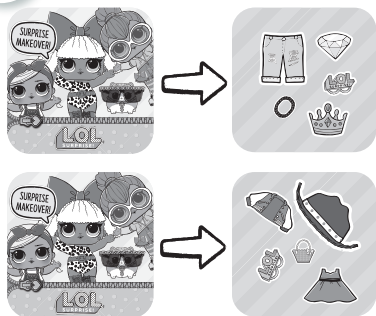

IT'S A MATCH!

SET UP

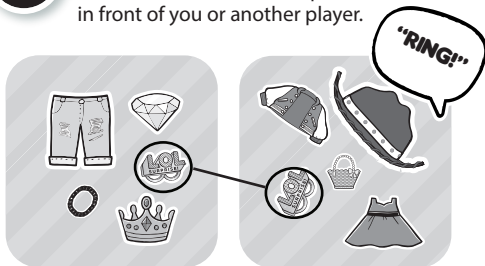

1. Each player gets one set of fashion accessories and places the set in front of them.
2. Shuffle the cards, and separate them into two decks. Then, place the decks in the center of all players.

GAME PLAY

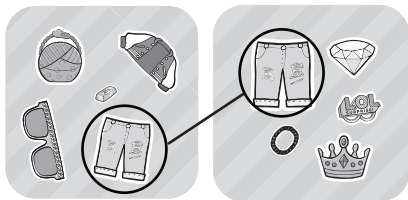

- 1** Flip over one card from each deck in the center of all players.

- 2** Find the matching item on the card. When you find it, be the first person to yell it out! Collect that item from the pile of accessories in front of you or another player.

- 3** If the matching image is not one of the accessories, collect the cards. Earn three sets of non-accessory cards to redeem them for an accessory you need.

- 4** If all the items match, yell out, "Jackpot!" You can choose any accessory you need.

- 5** Collect one bow headband, one pair of glasses, one necklace, one bracelet and one ring to win the game!

ADDITIONAL RULES

- Unless it's a Jackpot, there will only be one match on each pair of cards.
- If the pair of cards is a Jackpot and a player yells out a match before "Jackpot," they must take the pair as that item, not the Jackpot.
- The accessories on the playing cards need to be the same type of item, but they do not need to be a perfect match in size or style.
- Players can mix and match accessory colors to win. Players do not have to collect a matching set.
