IMPORTANT INFORMATION

• Function may be limited when the product is in TRY ME mode. For maximum play, the switch should be in the 'ON' position.
• Not for children under 6 years. Keep out of reach of young children.
• Adult supervision is required when children are playing with water.
• Contents are not real food. Do not eat.
• Do not allow long hair or loose apparel, such as shoestrings, near the moving parts inside the creature.
• Keep slime away from paper surfaces, as it will stick permanently.
• Color transfer from pigments may occur. Wash hands thoroughly after use and keep slime away from clothing and surfaces other than the creature and barrels included in this kit.
• Keep contents away from eyes, mouth and face.
• Avoid contact with the eyes. Keep away from damaged skin. Use under adult supervision.
• Store slime in barrels and tightly replace the lid and cap.
• Do not dispose of slime in the drain. Dispose in a trash receptacle once you are finished playing.
• Slime will dry out over time. Store in a sealed container to prevent drying out when not in use.
• Water temperature may affect the slime's consistency. Do not use hot water.
• After pressing the belly button to mix the ingredients, avoid pressing it again or it will stop.
• Avoid opening the head after it has started mixing.
• After 30 seconds of no activity, the unit will go into sleep mode.
• Turn the unit OFF after playing to conserve battery power.

SAFE BATTERY USAGE

• Use alkaline batteries for best performance and longer life.
• Use only the battery type recommended for the unit.
• Batteries should be replaced only by an adult.
• Insert batteries with the correct polarity (+ and –).
• Do not mix old and new batteries.
• Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
• Do not short-circuit batteries.
• Do not mix rechargeable and non-rechargeable batteries.
• Rechargeable batteries are to be removed from the toy before charging.
• Rechargeable batteries are to be recharged only under adult supervision.
• Do not recharge non-rechargeable batteries.
• Exhausted batteries are to be removed from the toy.
• Do not dispose of batteries in fire as they may leak or explode.

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Caution: Modifications not authorized by the manufacturer may void users authority to operate this device.

CAN ICES-3 (B)/NMB-3(B).

Caution: Modifications not authorized by the manufacturer may void users authority to operate this device.
**MAKE YOUR OWN SLIME**

Before beginning, cover the play area to prevent possible damage.

1. Choose an activity!

2. Add the slime.

3. Remove and discard the seal on the slime mix cup.

4. Lift the top part of its head to add the ingredients. Close when done.

5. Close the top of the head after adding all the ingredients. Then, press the belly button once to start mixing.

NOTE: Once pressing the button, it will spin for three (3) minutes. After you press the button, avoid pressing it again or it will stop.

6. For a slimier consistency, allow it to sit for 10-15 minutes.

7. For slimy boogers, pull out the squeezer and insert the slime into the chamber. Then, replace the squeezer to push the slime in and out through the nostrils of your creature.

**NOTE:** See guide under YOUR BELLY BUSTER™ for all the different areas you can add slime.
Before cleaning, gather the slime and store it in the barrels. Tightly replace the lid and cap to prevent it from drying out.

**IMPORTANT INFORMATION**
- Keep this manual for future use.
- Always turn your creature OFF before cleaning.
- Cleaning should be done by an adult.
- Do not submerge your creature in water or place it in the dishwasher.
- Before cleaning, gather all the slime and store in the barrels or in a sealed container (not included).
- Wipe any remaining slime with a paper towel (not included) and dispose in a trash receptacle.
- For best results, use warm water to clean your creature and allow it to air dry thoroughly before storing.
- Use mild dishwashing soap (not included) to clean the belly.
- Keep water away from the battery compartment.
- Do not dispose of slime in the drain. Dispose in a trash receptacle.

**NOBODY LIKES A SMELLY MONSTER!**
Wet the cleaning brush with warm water. Then, wipe down your Belly Buster™.

**NOBODY LIKES A DRY, CRUSTY SLIME!**

**MY PIMPLES ARE BURSTING WITH FUN!**
Pour some water into the belly and add a few drops of liquid dishwashing soap (not included).

**IT'S NOT BRAIN SURGERY**
Swirl the cleaning brush to clean the belly. Drain the soapy water when finished.

**CLEAN AS A WHISTLE**
Remove the squeezer and insert the cleaning brush. Push the cleaner tool as far as it will go and turn a couple of times before removing.

**PICK YOUR FRIENDS. NOT YOUR NOSE!**
